  - **Will go into coordination with the ICD in Sep 04**

Pros

- Warfighter perspective. (PACOM)
- Joint look (Army, Navy, Air Force, Marines)
- Not system centric (not just submarine experts)
- Best to match up Sponsor with MCO or scenario

Cons

- **Very difficult task (15+ people for two weeks)**
- **Number of Tasks (374)**
- **Tasks vs Capability (“ability to”)**
- **Is the warfighter the right player to think about future concept?**
